

## Over the Counter Permits

The following items requiring permits, will not require plans review:

- Replacing existing equipment such as mechanical units, water heaters, etc.
  - Required for permitting in these situations will be specification sheets showing that the unit being replaced is the same as or similar to the existing (like for like).
- Reroofs
- Minor electrical, plumbing and mechanical repairs,

If there are any questions or concerns, please contact the UCF Building Department.

**Permits will be issued while you wait, they will take approximately 30 minutes**
